Message From the Teachers

December certainly has crept up on us! It's hard to believe that the first half of our year together is almost over. It has been an absolute pleasure watching your children learn, grow and develop friendships!! Everyday we as teachers learn something new about them.

November was another great month. The classes enjoyed learning about Fairy Tales and Nursery Rhymes, health and hygiene, community workers and space. A highlight for the month was definitely our trip to the library. The children enjoyed their story time and the chance to experience the library. Thank you to all the parents and grandparents for coming and spending the morning and afternoon with us there. We will be starting De-

ember off with talking about colours and then jump right into Christmas and the holidays. They children will be busy making their special gifts for you so don't be surprised when they do not have crafts to bring home after every class.

Along with the gifts, the classes are busy preparing for our concert. We have started to learn the songs we will share with you. Please remember that the concerts will take place during regular class time. Due to the size of our classroom, please remember to keep your invited guests to a minimum. The MWF class will have their concert on Friday December 22 and the Tuesday/Thursday classes will be on Thursday, December 21. More information regarding the concert will be provided in the coming

weeks. The sign up sheets will also be posted on the classroom bulletin board so please be sure to come in and sign up for a treat to share.

With the snow on the ground (sort of), we ask for your cooperation in removing yours and your child's outdoor shoes on the red carpet. By doing so, we will keep the stairs and our socks dry. We also ask the the children come prepared to play outdoors. Please ensure that all mittens, hats, ski pants and boots are labeled.

From all of us at Kidsplace, we wish you a and your family a very Merry Christmas! We wish everyone health and happiness in the new Year!

-Ms. Sherry, Ms. Lori, Ms. Adeline and Ms. Barb

KIDSPLACE IS ACCEPTING NEW STUDENT ENROLLMENTS NOW!

Kidsplace currently has a few spots available in our 2017/18 MWF and T/Th class programs. If you know of any families seeking a pre-school program for their child and interested in enrolment as early as January 2018, we would greatly appreciate your assistance in directing them to contact us at kidsplaceboard@hotmail.com. Thank you!

Message from Kidsplace Board

November was a great month and it is rewarding to see our children develop socially and academically more and more each day! Thank you to Lori, Sherry, Adeline and Barb for providing all the excellent learning experiences that encourage development in our children. Your hardwork is truly appreciated!

Happy holidays to you and yours!
