Message from the Teachers

Good bye February, Hello March! We have had a very busy month! We had lots of fun at our Valentine's parties and the children seemed to especially enjoy delivering their Valentine's cards to their classmates. Thank you to everyone for making this day extra special with the snacks and baking you provided. A special thank you to our party helpers who took time out of busy schedules to celebrate with us and lend a hand.

Our Music in Me theme was a big hit again this year. Many of our little stars took a turn in the spotlight singing or playing instruments on our stage. During our Dinosaur theme the children shared their knowledge of prehistoric animals and made their own dinosaur impression fossils.

March will be the last month for Show & Tell.

Please check the calendar for Show & Tell days. Although it has been fun seeing the items the children have chosen to show to the class and tell us all about them, we are hoping for some nicer weather to come so we can play outside more consistently.

Looking ahead, we are planning a trip to the bowling alley in late April and will end the year with a trip to Deer Meadow Farms at the end of May before our Year End Celebrations. More details will be provided as we come closer to these events.

Volunteers are always welcome in our classes! If you would like to come in and spend a couple of hours with us, please see your child's teacher to schedule a time that works for you.

If your child is going to be away from class, please call us at school or leave a message on our answering machine. Do not email the teachers directly or use the board email to leave a message regarding absences. We are not able to check emails prior to class.

Please note: Kidsplace will be closed over Spring Break from March 26- March 30th. Classes resume on Monday, April 2nd.

Have a great Spring Break!

-Ms. Lori and Ms. Sherry

Message from the Board

What an amazing month at Kidsplace! We are so fortunate to have amazing staff that are with our children every step of the way. Kidsplace is a wonderful school. Just look at all the amazing knowledge and crafts our children bring home, and take a glimpse of what is coming up in the March calendar. Thank you to our teachers who work so hard behind the scenes, and directly with our kids!

Thank-you also to those parents who have served on the board this year! Your time and support has helped Kidsplace run smoothly. We are in need of new board members for next year (see above). Please consider serving the school and supporting your child by volunteering in the different positions available.

Thank you to everyone that participated in our Winnipeg jets ticket raffle. It was a huge success with just over \$1900 in profits raised for Kidsplace Nursery school! A special thank you to one of our kidsplace family's who donated the tickets for our raffle. Also congratulations to Cylas. V and family on selling the most raffle tickets and winning a cineplex gift card.

With spring and summer in mind we are getting ready for our last fundraiser of the year, Glenlea greenhouse plant fundraiser. Catalogues will be sent home mid March. Have a great spring!
