Farm Trip & End of Year Celebration!

End of Year Fun! - Message from the Teachers

It is hard to believe that May is here and the end of the year is near. It seems like just a few weeks ago we were practicing for the Christmas concert and now we are preparing for our end of the year celebrations. It has been a lot of fun watching the children grow and learn and make friends. We will certainly miss those who are moving on next year and will be glad to see the familiar faces of those who are returning in the fall.

April was a fun and busy month! We started off discussing the signs of spring and we all were excited about the idea of being able to spend some time outside and again.

We talked about different types of transportation and ended the month with Spirit Week. We wore our pajamas to school and took a trip to the bowling alley to knock down some pins. Most of the bowling balls made it all the way down to the pins!

Although May brings us to the end of the year and some bittersweet moments we look forward to a few more weeks of fun activities. We will start the month with our Frogs and Ponds theme. Then spend some time thinking about our mothers and how special they are to us. We will be busy working on some very special top se-

cret projects.

We will also celebrate the birthdays that fall in May, June, July, and August. Please let us know if you plan to bring in treats to share with your child's class. Please remember that they need to be peanut/nut free so that we can ensure the safety of all the children.

Our trip to Deer Meadow Farms is coming up on Monday May 28th and Tuesday, May 29th. This is trip always a fun way to end the year. **Unfortunately we are unable to accommodate siblings on this trip. Please make sure you make arrangements early for your younger children or for someone to accommodate your child attending the trip.** Permission forms with details regarding times and costs will be sent home shortly.

And last but not least, our End of the Year Celebration will be held in the classroom during the last class. Parents, grandparents, and or other guests significant to your child are welcome to attend this special event. Please remember that our classroom is small and can only accommodate so many people comfortably. These celebrations will be held on the last day of school for each class (May 30th & 31st). More information

regarding the times will be sent home and there will be a sign-up sheet in the classroom for snacks and refreshments soon.

With the year coming to the end we would like to say thank to all of our students and parents. To the parents, thank you for letting us be your child's teachers. We appreciate the trust you have put in us to take care of your little ones.

To our students, thank you for sharing your lives with us. You have made us smile and laugh. We are so proud to be teachers of such wonderful children.

We would also like to say a special thank you to our board. We so much appreciate your time and dedication to our school. We could not do it without you.

Thank you for a great year! Have a wonderful summer!

- Ms. Lori, Ms. Sherry and Ms. Adeline and Ms. Barb

Glenlea Fundraiser Order Pick Up

Glenlea plant orders will be available for pick up on **Saturday, May 26 from 11:00 am—12:00 pm** in the Calvin Christian parking lot (on the grass area between Calvin Christian school and the church). **Volunteers are needed** to help sort the plant orders prior to pick up time. Please let a teacher or board member know if you are willing to help. Thank you!

Message from Kidsplace Board

It's been another great year for Kidsplace! There are many people we wish to thank for making this year a success.

First, we want to thank our staff, **Lori, Sherry, Adeline and Barb** for the work they did, planning great themes, putting extra effort into field trips and special events, and making class fun and full of learning. We are looking forward to next year when our children have the opportunity to learn with them again.

Thank you to each of our families for your support this past year for volunteering, fundraising, and especially entrusting your children to us at Kidsplace! For those families whose children are moving on into the world of Kindergarten or another endeavor, we wish you all the best! For our returning families, we look forward to seeing you again in the fall!

Thank you to those parents who have served on the board this year! Your time and support has helped Kidsplace run smoothly.

We are in need of more volunteers to serve on the board for the 2018/19 school year. If you are willing to serve or interested in knowing more about what these positions entail, please contact us at kidsplaceboard@hotmail.com or 204-661-1325.

Enjoy the summer with your friends and family!

Deer Meadow Farms Field Trip

We look forward to our last fun-filled field trip on May 28 (MWF Class) & May 29 (T/TH Classes) to Deer Meadow Farms!

At Deer Meadow Farms, they offer a great learning experience for all school children. They teach the importance of all aspects of farming in today's lifestyle. The children will have the opportunity to take part in many hands on activities that take place on the farm.

Please remember to dress for the weather as the field trip will proceed rain or shine. Rubber boots or a spare pair of old sneakers that can get dirty and be changed in and out of (for both kids and adults) are highly recommended! More details, including a permission form, will be sent home with your child in early May.

May Birthdays!

Sydney– May 5

Anika– May 14
