Message From the Teachers

Dear Parents,

The snow has fallen and December is upon us! What a year it has been so far. We are so thrilled with how all the classes are going and how the children have settled into a routine and have developed friendships!

November was a busy month. We learned about a lot of different things. We discussed the importance of health and hygiene, which is key to this time of year! The classes all loved to play in the home-living area where they pretended to be doctors, nurses, and patients. We even had children taking "appointments" and writing out prescriptions for their patients! We also talked about colours and fire safety. I think everyone has mastered the, "Stop, drop, and roll," and how to, "Get low, and go."

December is going to be just as busy for us. All the classes are busy getting ready for the upcoming Christmas concerts. We are learning songs to share with all of the families. Please note that the concerts will take place during class time on December 20th and 21st. We encourage the children to invite their parents and grandparents. Please keep in mind that the room does get very crowded, so try to keep the family members to a minimum. More information regarding the concert will be sent home soon. We will also be sharing some Christmas treats with everyone. Please keep your eyes open for the sign-up sheet that will be on the bulletin board.

This month we will also be going on our first field trip of the year. We are very excited to be going to the library on Henderson Highway. We are looking forward to hearing stories, singing some songs, and having a chance to look at all the books the library has to offer.

With the holidays upon us and the cooler weather, please ensure that your children are being dressed appropriately. If it is possible, we will be going outside to play in the snow. We encourage you and your children to please put their mitts and hats inside their jacket sleeves. This makes it much easier to grab everything when it is time to get dressed.

With the snow, comes wet shoes. Please remember to take off your shoes or boots and leave them at the top of the stairs. We are not the only people to use the stairs and nobody enjoys wet socks.

Please continue to inform the school if your child will be away. This helps to keep the teachers on schedule.

Thank you to all the parents who attended the AGM this year. Your participation was greatly appreciated and we were excited to hear your thoughts about various topics. We also liked hearing your suggestions and will take them into consideration.

We wish everyone a very Merry Christmas and a Happy New Year! We wish you and your families continued health and happiness in 2019.

Ms. Sherry, Ms. Lori, Ms. Adeline, and Ms. Barb

Message from Kidsplace Board

November was a great month and it is rewarding to see our children develop socially and academically more and more each day! Thank you to Lori, Sherry, Adeline, and Barb for providing all the excellent learning experiences that have encourage development in our children. Your hard work is truly appreciated!

Thank you to everyone who attended our AGM. Your involvement and input were both greatly appreciated.

Happy holidays to you and yours!

A BIG thank you to the Little Elf who dropped off the Mason jars that we needed for our classes. Your gift is greatly appreciated!

~ Ms. Sherry & Ms. Lori
