Week 5 (Jan 28-Feb1):

ABCs & 123s

Happy New Year!

Dear Kidsplace Families,

Welcome back to school! We hope that everyone had a very enjoyable holiday with lots of time spent together with family and friends. Hopefully we are all ready to settle back into school.

We would like to express how very proud of the children we are for performing their songs and poems and all their hard work in preparing for the Christmas Concerts this year. They all did a great job!

We would also like to take this opportunity to thank all of you for your efforts to help make our Christmas Concerts successful by donating baking and other treats and helping clean up afterward. We are very thankful for your support.

As in previous years, January is the time we like to start **Show & Tell** with the children. Show & Tell gives the children an opportunity to share something special from home with their classmates while practicing languages skills. Students in each class will be divided into two (T/TH) or three (M/W/F) groups and each group will be assigned one day each month to bring in a special item to share with the class. These items will be kept aside until Show & Tell time as we do not want anything to get lost or broken during class time. Show and Tell days will be posted on the calendar. Please try to remember your child's Show & Tell day so they may participate when it is their turn.

Please help your child choose appropriate items to share (no weapons) and help them think of what they would like to say about their special item.

Be on the lookout for more information regarding Show & Tell and which group and day your child is assigned!

Please remember that classes start at 9:15 for the morning and 12:50 in the afternoon. We ask that you try to arrive on time for your child to settle in before circle time begins at 9:30 am and 1:00 pm and limit disruptions during group activities. Please know that you are still welcome even if you are running late, but we do appreciate a quick call to let us know, if you can manage it.

We would also like to know if your child will be absent from school. We understand that sometimes it is a last-minute decision but if you can, a quick call or a message left on our answering machine lets us know not to expect your child if they are not attending.

Please also make sure to let us know if someone other than the regular person will be picking up your child so we have a chance to check our records to make they are listed on our pick-up sheet and avoid unexpected delays or complications at the end of class. And if you have moved or changed any contact information it is very important that you keep us up to date so we are able to contact you should the need arise.

One more thing!! A reminder to our **Tuesday & Thursday Morning** class – please bring in a **roll of paper towels and a box of zip lock (or zipper lock) baggies**. Any size will do (large, medium, sandwich, or snack size). We use them all!

That's all for now!

Ms. Lori & Ms. Sherry
